SKILLS

EXPERTISE AREA

Human Centered Computing, Backend Development, Data Structures and Algorithms

PROGRAMMING LANGUAGES

Python, Java, Kotlin, Javascript

TECHNOLOGIES

Stackstorm, Android Studio, Figma, Illustrator, Photoshop, Premiere pro, XD, inVision, Unity

EDUCATION

B.TECH (CSD) | CGPA: 8.08

— 2018 - 2022

Indraprastha Institute of Information Technology Delhi

WORK EXPERIENCE

SDE 2

Expedia Group | Mgr: Divyanshu Agarwal — Oct'23-Current

Developed a chat interface using Stackstorm to retrieve application, platform, and deployment evidence, automating initial troubleshooting, saving 720 developer hours per month.

SDE 1

Expedia Group | Mgr: Divyanshu Agarwal — Mar'23-Sep'23

Engineered slack commands to support the Runtime Compute Platform (RCP), leveraging StackStorm to provide information about any of the 3000 applications deployed in RCP.

SDE 1

Expedia Group | Mgr: Gaurav Srivastava — Sep'22-Feb'23

Developed paid ancillaries for air merchandising: seats and bags on android receiving ~1000 daily bookings.

SUMMER INTERN

Expedia Group | Mgr: John Frame — May'21-Jun'21

Created an open-source API Gateway for identity and access management using Okta OAuth2.0.

PROJECTS

DEVELOPER

GitHub Automation | Guide: Ms Gupta — Sep'23-Oct'23

Designed automations: 1. Add a repository to a Renovate app installation, streamlining dependency management.
2. Designate admins in orphaned enterprise repositories.

UX ENGINEER

Enveave | Guide: Dr Pankaj Jalote — Aug'21-Jul'22

Founding UX researcher: collected user requirements, envisioned platform capability and architecture, developed the platform UI and performed platform evaluation for the MVP.

TECH TEAM

WA-a-Mole | Guide: Dr Kumaraguru — Mar'21-May'21

Developed an interactive experience to generate awareness on user privacy on WhatsApp using a game called Whatsapp-a-Mole.

TECH TEAM

Memory Space | Guide: Dr Parnami — Sep'20-Dec'20

Ideated, gathered requirements, prototyped, developed and evaluated an AR space using Unity that provided interaction with memories to curb loneliness.
